State-Funded Scholarships/Vouchers

The Rock School is approved for many of Florida's scholarship/voucher programs, including FTC/ FES-EO, FES-UA, **Step Up, Step Further (new in 2027)**, and Hope. Awards are set by the state and recipients are responsible for any remaining balance of tuition.

Step Up for Students: A residency scholarship, available to all who reside in the state of Florida. Learn more about Step Up for Students at **www.stepupforstudents.org**

Step Up, Step Further: Beginning in 2027, the new **Federal Education Freedom Tax Credit** will create an additional scholarship opportunity for qualifying families. Students from households earning up to 300% of the Area Median Income (approximately $297,300 for a family of 4 in Alachua County, based on 2026 figures) may be eligible. These scholarships will be administered through **Step Up, Step Further**, and can supplement existing Florida scholarships, subject to funding availability. Learn more about Step Up, Step Further at **www.stepupstepfurther.org**.

School-Funded Financial Assistance

The Rock School uses a third-party financial needs assessment company in determining all of our financial assistance awards. Applications for Financial Assistance can be found on your FACTS account.

Welcome to the Preschool

At The Rock School, we partner with families to nurture young hearts and minds within a Christ-centered environment that also reflects the principles of an inquiry-based education. Licensed and accredited by the Florida League of Christian Schools (FLOCS #4985), our preschool curriculum integrates a biblical worldview with an inquiry-based approach that enriches children's learning and supports their growth in faith, curiosity, and compassion.

Inspiring Learning Spaces

Our facilities are thoughtfully designed to encourage both exploration and reflection. From warm, welcoming classrooms to two expansive playgrounds filled with engaging, interactive equipment, every space invites young learners to discover, play, and form positive relationships. These spaces help children feel at home while building foundational skills for lifelong learning.

Classes for Every Stage

With age-specific classes for infants through four-year-olds, our program evolves with each stage of your child's development. Classes foster independent thinking and a love for learning, guided by Christian principles and the emphasis on inquiry and personal growth. Our three-year-old classes and up emphasize independence, including potty training, as a step in building responsibility and confidence.

Dedicated, Compassionate Teachers

Our teachers are passionate, committed Christians with training in both Early Childhood Education and faith-based values. With a dedication to both their faith and academic excellence, they bring out the best in each child, fostering an environment of compassion, safety, and respect. Teachers and aides complete rigorous background checks and ongoing professional development, and they're deeply committed to nurturing children's spiritual and intellectual growth.

An Enriching, Biblical Curriculum

Our structured school day offers a blend of academic and spiritual learning designed to inspire and enrich. We begin each day with Bible stories, prayer, and worship, setting a peaceful tone for purposeful learning. Through hands-on, theme-based activities, our curriculum encourages children to wonder, explore, and engage in meaningful learning experiences. Enrichment in art and music, along with ample time for active play, helps children grow in mind, body, and spirit, as they build a strong foundation for future success.
