Pre-K to Kindergarten Enrollment

Preschool students who would like to continue at The Rock School for Kindergarten through 12th grade will need to complete a new continuous enrollment contract. Here's how!

How to Enroll for Kindergarten

- Visit **therock.school/familyportal**.
- Log in using district code **TRS-FL** and your username & password.
- Open the left menu and select **Apply/Enroll**., then select the **Enrollment/Reenrollment** link.
  - *Will open in a new tab. Check your pop-up settings if having issues.*
- Complete all sections and **Submit**!

Have Questions First?

If your family will be new to K-12 at The Rock School, you have the option to **schedule an Educational Consultation** with our head of school, Arica Heise, prior to enrollment. During this appointment, you'll get to hear about our K-12 program (including our implementation of IB programs across all grade levels), tour the "big school", and share about your family's specific educational goals. Our Pre-K4 parents are receiving first access to her fall consultation dates, so reserve your appointment today at **go.oncehub.com/aricaheise**

Important Notes

- Re-enrollment for current Pre-K4 students is reserved until **January 15, 2027**.
- Not returning to TRS? Complete the official withdrawal form at **therock.school/withdraw**.
- Re-enrollment is not guaranteed and may be withheld at the discretion of the school.
- If no enrollment packet is submitted, the student will be assumed Withdrawn for the 2027-2028 school year on January 16, 2027.
- After submission, you can continue to access your enrollment files at any time through your Family Portal Account as needed.

Step Up for Students Scholarship

Step Up For Students offers state scholarships that help Florida families cover tuition and fees at eligible private schools. When applications open in the spring, apply for either the Private School Scholarship (average value $8,000) or the Unique Abilities Scholarship for qualifying students (average value $10,000). Learn more and sign up for notifications at **www.stepupforstudents.org**.

Step Up, Step Further: Starting in 2027, the new **Federal Education Freedom Tax Credit** will offer qualifying families an additional scholarship that will suppliment existing Florida scholarships, subject to available funding. Learn more about Step Up, Step Further at **www.stepupstepfurther.org**.
